His training in the metaphysical world consists of crystal healing, shamanism and various modes of vibrational healing, work with aboriginal cultures; he has also learned to channel and work vibrationally with groups to activate the structures of the future within. Jhadten lives in Canada and teaches world wide as well as guiding sacred journeys. He is an avid sound healer and produces CDs and tapes to that purpose. Jhadten is a talented facilitator with a great sense of humor. He knows how to teach undogmatically and emphasizes the need for the pursuit of personal truth in all matters.

Enlightenment through Presence

Working with the Eight Power Spots of the Netherlands to Bless the World!

At this moment in time, our highest priority is to be in the present. If we are too involved with our expectations of the future, we limit our possibilities immensely. If we try to hold onto the past, we will suffer greatly. The Pandemic has shown us that we will never return to the 'normal' we may have had before and for a very good reason. In such divisive times, more than ever, it is to be focused on the possibilities of the present moment. This year especially our intuition and inspiration faculties have been dramatically increased in order to find new solutions to our challenges.

Being in service to Mother Earth and Mankind at this time is paramount and brings the greatest rewards. Thus we will be using sound and crystalline frequencies as well as connecting to the 8 power spots of the Netherlands:

Den Haag

Middelburg/Vlissingen

Tilburg

Utrecht

Maastricht

*Groningen
Noord-Holland
Hunebedden (Drente)*

By connecting to these sacred spaces we will have the power of Mother Earth and the Heavens (for a power spot is where the two meet in focused ways) to bless the Earth and Humanity with the new patterns of Creation that are so necessary now.

In addition, we will be connecting to the Levels of Paradise, a higher soul frequency that resonates with the Inner City Matrix and the Dream of Mother Earth, to bring in these new patterns of Creation. It is a very exciting endeavour as we have rarely connected with these levels before. The Crystal Guardians of the Universe work through these levels to provide a deeper connection with Source, i.e. the highest frequencies of our Souls.

We will be activating the City of Light Drachten as this area is anchoring the Power of Presence for Enlightenment for

all of the Netherlands. New sound vibrations are emerging with these new patterns of Creation and I cannot wait to explore them all with you. As the City of Light shows, it is an exquisite, delightful energy. Come one, come all! Namaste
